

# THE ROASTING PARTY

We are very proud of our partnership with The Roasting Party Coffee Company and have chosen their boutique blend **Drake**.

**Drake** on it's own has a Honey Roasted Hazelnut, Bittersweet taste, when blended together with milk you reach a delicious Dark Chocolate flavour.

We also use their **Mexico Premium Decaf** blend for those of you who love that coffee taste without the caffiene

**Mexico Premium Decaf** sweet, spicy, notes of chocolate, dried fruits and tobacco with a sweet and delicate taste.
